## THE STORY

Cremet is a decadent, soft, mould-ripened goat's cheese enriched with cow's double cream. It is delicate to make and there is nothing like this produced in the UK. It has a subtle, fresh, creamy flavour and mousse-like texture when young, deepening to a full, rich flavour with earthy undertones when ripe.

## PAIRS WITH

**CHUTNEY:** *Sharpham Caramelised Fig & Sharpham Pinot Noir Chutney* The ripe figs in this help cut through the richness of the creamy Cremet. If you like a bit of heat our Scotch Bonnet chilli jam is a match made with the mousse like creamy decadent cheese.

**WINE:** *Sharpham Pinot Rosé & Sharpham Cremet* Cremet is a mould ripened triple cream soft goat's cheese It's incredibly rich and decadent, the crisp acidity of the rosé helps cut through this richness and brings out the fruity notes within the Pinot Noir Rosé.
